The Terwillegar Medical Clinic is looking for one locum to cover a family practice. Our clinic is conveniently located just east of the Terwillegar Recreation Centre, just off of Terwillegar Drive and Riverbend Road. This is a group practice with a well-equipped facility with five physicians sharing the office space.

Our clinic strives to give our patients excellent quality health care through their physicians as well as highly trained, pleasant and knowledgeable MOA's and administrative staff. Free parking is available for all physicians, staff and patients. We are part of the Edmonton West Primary Care Network and have a chronic disease nurse, a dietitian and a behavioral health therapist who see patients. We offer a competitive overhead split.

One locum is needed to cover a family practice for 1 starting March 28 – April 1, 2022. The start time is 9:00 AM. The hours for coverage are 5 days per week, Monday, Tuesday, Wednesday, Thursday and Friday with a lunch break each day from 12 – 1 PM when the clinic is closed to allow physicians and staff a break. There are no evening or weekend clinics. Currently patients are seen from 8:30 - 11:30 AM and 1 - 3:45 PM.

The clinic is open from 8 AM - 4:30 PM (closed during lunch). Our clinic utilizes the Healthquest EMR.
