

POSITION: NURSE PRACTITIONER (Family-All Ages, Certified Diabetic Educator)

Employment type: Permanent, Part time (0.50 FTE, 20 hours per week)

Location: This position is based out of an EWPCN member-clinic located in west Edmonton

Job Posting ID: NP-2111

Objective: The Nurse Practitioner supports family physicians with a goal of providing the best primary care to our community in their clinical practice.

ABOUT THE EDMONTON WEST PRIMARY CARE NETWORK:

With a mission to support family physicians in improving primary care through relationships, collaboration and innovation, Primary Care Networks (PCN) are groups of family doctors who work with other health professionals to coordinate the comprehensive delivery of primary care services for their patients. Our team of health professionals include Nurses, Dietitians, Pharmacists, Behavioural Health Consultants, Social Workers and Exercise Specialists who collaborate to provide comprehensive primary care services for the community.

As part of our Interdisciplinary Team:

- ❖ You are passionate about providing team-based care as part of the patient medical home model.
- ❖ You are excited by working in a busy, fast-paced environment.
- ❖ You want to work in a small yet mighty organization, where you are not just a number, and you have the ability to impact real change in healthcare delivery in the local community.
- ❖ You are innovative by nature and want to give your input into program design and delivery in order to improve the lives of patients.

Qualifications:

- Master's Degree in Nursing
- Current CRNA Registration in the Family-All Ages stream
- Certified Diabetes Educator (CDE) designation is a strong asset
- Basic Life Support CPR

Previous Experience:

- Five years of experience in Nursing, in primary care or acute care
- Proficiency in Microsoft Office Suite (including word, excel and outlook)
- Demonstrated experience using EMR and Netcare

In this role, you can expect to:

Provide Direct Patient Care:

Provide specialized, team-based and patient-centered care including:

- Education, treatment and management of care to all patients in the clinic, with a focus on diabetic patients as well as patients with complex, multi medical co-morbidities and socio-economic factors
- Determining and managing care plans utilizing an interdisciplinary team approach
- Consulting with diabetic patients to provide customized care plans
- Ordering and interpreting tests
- Prescribing medications
- Facilitating therapeutic interventions
- Making referrals and conducting evaluations
- Collaborating with physicians and caregivers
- Enhance patient access to care

Utilize Your Leadership Skills to:

- Actively participate in program development and evaluation
- Conduct research and clinical teaching activities that encompass all domains of practice
- Act as a resource to IDT members
- Support an organizational culture that fosters excellence and interdisciplinary teamwork
- Develop innovative strategies to improve patient care
- Promote EWPCN programs and resources in the community

What We Offer:

- Monday to Friday schedule (subject to clinic hours)
- 80% employer paid benefits, including: extended health, dental, life and disability insurance coverage
- Retirement Savings: 8% RRSP Matching Program
- 3 weeks (6%) of annual vacation, increasing to 4 weeks (8%) after two years of service, 5 weeks (10%) after five years and six weeks (12%) after ten years
- Sick, personal and professional development days
- Ability to work within your full scope of practice and impact the community in a positive manner, while collaborating with other disciplines as well
- Up to \$750 per year to fund professional development opportunities, in addition to EWPCN-directed training
- On-going training and networking opportunities through our interdisciplinary team meetings (virtual and in-person)

Applications

To apply, please send your resume and cover letter to human.resources@ewpcn.com

The position will be posted until the suitable candidate is found, so we invite you to submit your application as soon as possible.

Thank you for applying to the Edmonton West Primary Care Network!

Providing the best primary care to our community.
