

Edmonton Comprehensive Care & Family Medicine
6925 Gateway Blvd NW,
Edmonton, AB T6H 2J1
PH:780-306-5656
FAX:780-306-5757

Our well-established medical office is looking to add a locum physician to our growing practice who can cover for physicians during vacations or when otherwise away from the clinic.

- Fully equipped examination rooms.
- Convenient parking lot for patients and physicians.
- The clinic welcomes patients of all ages.
- The clinic uses Med Access electronic medical charting.
- Member of Edmonton West Primary Care Network (EWPCN) with access to several interdisciplinary teams (behavioral health, social work, dietitians, exercise specialists, lower leg clinic, pharmacists, quality improvement).

This position is available for dates in February, March and July, as well as potential other dates, to be discussed if you are interested.

If you are interested, please do not hesitate to contact Amy Markovitz at 780-306-5656, option 7, fax 780-306-5757 or email
