Looking for two full time physicians. The start date is flexible and would be after July 17, 2023. We are a family physicians office on the southside of Edmonton in the Terwillegar area. We are conveniently located just off Terwillegar Drive and Riverbend Road with quick access to Whitemud Freeway and Anthony Henday Highway. There are multiple lab facilities and multiple diagnostic imaging locations located very close to the clinic. Our office hours are 8:00-4:30 Monday through Friday with no evening or weekend clinics. We are closed all statutory holidays. There is free outdoor parking for staff and patients.

We offer a well-equipped facility with an on-site clinic manager as well as well-trained, dedicated, administrative staff for our physicians. Each physician has office space and two well stocked examination rooms. Our clinic offers a competitive overhead split as well as remote EMR access. Our clinic is a part of the Edmonton West Primary Care Network. EWPCN provides an on-site primary care nurse and an on-site behavioral health consultant as personnel. The EWPCN also provides other off-site support such as access to dietitians, psychiatry, social workers, exercise therapists, etc.
